College: ARASAN GANESAN POLYTECHNIC
COLLEGE

Feedback:

I learned that what is Tally and
what are the basic applications of Tally by this
Tally workshop. I learned that how I express
the year by year growth.

Thank you.

I love the Tally Tanks for Naga
Lakshminarayanan to have to use the Tally
and full and full definitions.

Feed back

We had attended the workshop on tally which is conducted by the Lamda tech Solutions. And this session was very interesting and was very usefull for us. Naga lakshmi madam had a friendly interaction with all of us. Which made us an good learning environment.

Today, I am very happy that I had made my day useful. And I thank our friend mr. Prakash Lamda tech solution for providing a good chance to learn.
